A global day of youth evangelism, Dare 2 Share LIVE, kicks off November 11 with over 2,000 churches in 70 countries participating.

Starting this Saturday, thousands of youth ministries around the world will be inspired, equipped and unleashed to share the Gospel with their communities.

Arvada, CO— Now in its seventh year, the Dare 2 Share LIVE event, from non-profit organization Dare 2 Share, will be the biggest yet. Fully contextualized in English and Spanish, this global day of youth evangelism will inspire and unleash tens of thousands of teenagers around the world into their communities to serve and to share the good news of Jesus. Founder of Dare 2 Share, Greg Stier, stated, “With skyrocketing statistics of teen depression, anxiety and suicide, I believe we must do something radical to change the spiritual trajectory of this current generation of teenagers. Only the good news of Jesus can set them free from all they’re going through! That’s what Dare 2 Share LIVE is all about. It’s about reaching a generation with the hope of Jesus and then mobilizing them to reach their peers until every teen, everywhere, has every last chance to put their faith in Jesus.”

Starting on November 11, 2023, youth around the world will be activated to pray, serve others, and share their faith. Inspired and trained through creative video content, attendees then go out and serve their local communities, sharing the Gospel with their friends and neighbors. The impact will spread as young people are inspired and take the Gospel to their world. Currently, there are over 2000 youth groups from 70 countries signed up to participate.

Over the past 32 years, Dare 2 Share has inspired and equipped millions of Christian teenagers and youth leaders to engage in spiritual conversations through conferences, training curriculum and resources. Through the Dare 2 Share LIVE training event, Dare 2 Share is mobilizing a youth-led evangelism movement that will activate students with the mission Jesus gave His people, to reach their generation for Christ.

Dare 2 Share President, Debbie Bresina, shares, “This is the largest youth population in history. By leveraging technology, these young people have the opportunity to ignite a significant movement of Gospel conversations on one day. Our vision is to see every teen, everywhere, hear the Gospel message from a friend so this global expansion is a significant step in that direction.”

This is the beginning of a global movement with local impact as communities are impacted by the Gospel and teens are transformed as they share their faith.

About Dare 2 Share

Dare 2 Share (D2S) is a non-profit evangelistic ministry based in Wheat Ridge, Colorado. D2S was founded by Greg Stier in 1991 with the goal of training and mobilizing America’s teenagers to reach their friends for Christ. When the tragic Columbine High School shooting happened just minutes from Dare 2 Share’s offices in 1999, the mission of reaching teenagers with the life-changing hope of the gospel became even more urgent. That same year, Greg Stier resigned from a pastorate at a local church to focus his full efforts on the cause of D2S. For the last 32 years, God has used D2S to transform, train and equip millions of teenagers and their youth leaders across the world to share their faith in Jesus. Today, D2S offers a global video-based training event, weeklong summer evangelism and discipleship intensives, books, curriculum, youth leader trainings, and more to realize the vision of every teen, everywhere, hearing the Gospel from a friend.
