# REVIVAL STARTS WITH MULTIPLIERS

Reaching an entire generation with the Gospel takes more than passion, it takes partnership. We believe revival happens when the Church unites under the power of the Holy Spirit. That's why we're joining forces with strategic ministry partners and influential leaders to multiply the vision, equip believers, and raise up Gospel Advancing leaders worldwide.

## Multipliers Accelerate the Movement

### **TOTAL NEED: \$5,000,000**

#### Global Cohorts

A gift of **\$473,000** will expand our Global Cohort trainings around the world. In partnership with indigenous leaders and anchored to regional ministry gatherings, these cohorts equip and mobilize hundreds of emerging multipliers in their own contexts. The result will be exponential growth, as leaders activate thousands of students to share the Gospel.

#### Indigenous Movements

Your gift of **\$107,000** empowers an indigenous leader to launch and multiply the Gospel Advancing movement within their region. By resourcing a local leader who already understands the culture, language, and ministry landscape, we accelerate ownership, sustainability, and long-term impact. The result will be region-wide momentum, as youth leaders and students are mobilized from the inside out.

#### Kingdom Collaboration Projects

A gift of **\$670,000** will fuel strategic pilot projects with key ministry partners across the United States and around the world. These collaborations allow us to test, measure, and refine Gospel Advancing strategies within influential networks and high-potential regions. The result will be scalable models that open doors for broader movement expansion.

# REVIVAL STARTS WITH LEADERS

When passionate teens step forward, they carry the spark of revival. But every spark needs a steady hand. That's where youth leaders shine, by guiding, empowering, and multiplying impact. Dare 2 Share comes alongside them with practical training, proven tools, and Gospel Advancing resources to help students reach their world for Christ.

## Leaders Set the Pace

**TOTAL NEED: \$6,000,000**

### Energize Youth Ministry Conference

A gift of **\$482,000** will establish and expand the Energize Youth Ministry Conference over the next two years. This national gathering equips youth leaders with the mindset and tools required to build sustainable, Gospel Advancing ministries. Launching in Denver in 2026 and Chicago in 2027, Energize delivers practical training, catalytic environments, and strategic coaching designed to help leaders mobilize their students for Gospel impact. Your investment fuels a new annual convening point for youth leaders committed to advancing the mission.

### Lead THE Cause

A gift of **\$812,000** will fund Lead THE Cause for the next two years. This flagship leadership and evangelism training experience shapes youth ministries by first shaping their leaders. Lead THE Cause provides youth leaders with hands-on evangelism environments, mission-driven strategy training, and a clear framework for mobilizing students long after the week concludes. This investment ensures leaders receive the formation, support, and resourcing they need to drive Gospel momentum throughout the year.

### Digital Leader Ecosystem

A gift of **\$269,000** will launch and scale our updated digital ecosystem for youth leaders over the next two years. Built on Salesforce's Experience Cloud, this platform personalizes the leader journey through tailored training pathways, Gospel Advancing tools, and contextualized support. It provides an always-on, data-driven environment designed to help leaders progress with clarity, confidence, and practical next steps. Your investment accelerates the digital backbone supporting every youth leader Dare 2 Share serves.

# REVIVAL STARTS WITH TEENS

Throughout history, most revivals have started with the young, and it's happening again today. Across the nation and around the world, students are awakening with a renewed passion to know Jesus and make Him known. The need has never been greater for relevant, Spirit-empowered tools that equip teens to share the life-saving message of Christ with their friends.

## Teens Reach Their World

### **TOTAL NEED: \$4,500,000**

#### Day of Global Youth Evangelism

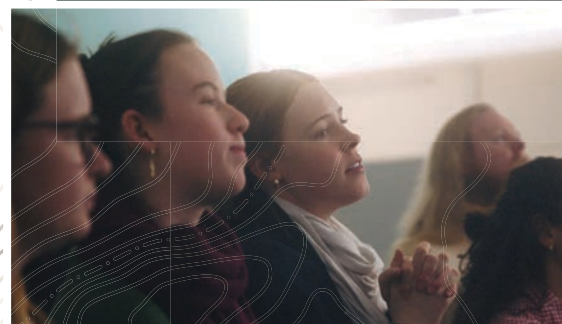

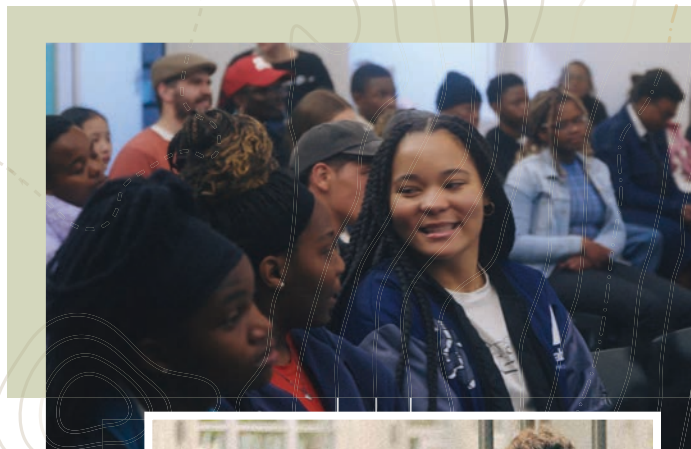

A gift of **\$385,500** will accelerate a global day of student-led Gospel conversations. As teens mobilize in cities, villages, and campuses around the world, this initiative provides the training, translation, and tools they need to confidently share the message of Christ with their friends. The result is a catalytic surge of peer-to-peer evangelism in every time zone—igniting a movement that continues long after the day ends.

#### Development of the Premier Evangelism Training Curriculum

A gift of **\$232,500** will develop a high-quality, video-driven evangelism curriculum created specifically for teens. Modeled after our most impactful digital resources, this project funds the writing, filming, and production needed to equip students with clear Gospel fluency and practical confidence. The result will be a flagship training experience that prepares a generation of teens to share their faith with boldness and clarity.

#### Free Teen Evangelism Resources

A gift of **\$500,000** will expand the reach of our free, teen-focused Gospel resources. Last year, thousands of tools were downloaded that helped students share their faith—representing significant savings for youth ministries and exponential Gospel impact. This investment ensures ongoing development, updates, and distribution of the digital training, shareable content, and practical tools teens rely on to reach their world with the hope of Christ.

# STRATEGIC FUNDS FOR THE HIGHEST IMPACT

Momentum is building. Doors are opening that we never could have planned, but we must be ready to walk through them when opportunities arise.

The **Strategic Impact Fund** empowers Dare 2 Share to respond quickly to these high-impact opportunities without tapping into our annual budget or pausing ministry for the next budget cycle. Guided by the Dare 2 Share Board of Directors, this fund ensures wise stewardship and bold responsiveness.

We're trusting God to build this fund to \$10 million, accelerating progress toward our five-year vision to reach and disciple a generation for Christ.

**Would you consider joining us in praying and giving toward this Kingdom-advancing goal?**
